DISTRICT OFFICE · 5844 OLD PASCO ROAD · SUITE 100 · WESLEY CHAPEL, FLORIDA 33544

May 1, 2020

To Asturia Residents,

As many of you are likely aware, late yesterday evening Governor DeSantis issued Executive Order #20-112 providing an outline of the State's Phase 1 Plan to re-open the State of Florida following mandated closures in response to COVID-19 ("EO 20-112"). District Staff is actively reviewing the general directives set forth in EO 20-112 and is consulting with District Counsel and the District's insurance carrier, as well as reviewing local guidance and protocols, to understand the applicability of EO 20-112 to the District's facilities and the District's authority and responsibilities with respect to the re-opening of those facilities during the still on-going public health crisis.

Equally important, District Staff is also working with the same parties to establish proper guidelines and procedures to allow for safely re-opening certain district facilities as quickly as possible. We appreciate your patience while District Staff seeks clarity regarding the parameters of EO 20-112 and weighs the numerous factors which must be considered to allow the District to safely and properly re-open the District's facilities under current circumstances. We are working diligently and anticipate having further updates regarding anticipated protocols and timelines by Monday, May 4, 2020.

Please feel free to utilize the playgrounds, parks and multi-use trails within the District but please continue to practice appropriate social distancing and abide by the CDC prevention guidelines, which include: frequently washing your hands for 20 seconds, social distancing of 6-10 feet, and no large groups of people. These few steps should assist us all in maintaining a healthy and safe community.

Again, we thank you for your patience, support, cooperation, and most importantly, for entrusting the District team.

Please continue to monitor the District's website and eblasts for updates. <https://asturiacdd.org>

Thank you,

The CDD Board of Supervisors
